

Tom Van Driessche

Technology Leader InHome Wi-Fi
Telenet bvba
CWNE # 219

What is your level of industry experience?

24 years of experience in telecommunications\$

Where did you receive your training/education?

CWNA-CWSP: Breda by Globeron Ltd.
CWAP-CWDP: self-study
Comptia Network+/Security+: self-study

When did you first become interested in wireless?

My first interest in wireless was in 2002, with basic Wi-Fi internet.

What certifications do you currently hold?

CWNE
CWNA
CWSP
CWAP
CWDP
Comptia Network+
Comptia Security+

Why did you choose the CWNE path?

I went for all CWNP professional certificates as I needed these for my job. By adding 2 non-CWNP certificates, I could apply for the highest certificate in Wi-Fi and be part of a very select group worldwide.

How long have you been involved in the CWNP certification process?

Nearly 3 years.

What was the hardest part of the whole process and how did you overcome it?

Study for CWAP.

What would you say to anyone considering a CWNE designation?

Do not hesitate to go for it and whenever it gets a bit more difficult, always think: when the going gets tough, the tough gets going.

What value will your CWNE provide to you, your clients, and/or your company?

Improvements on our products will lead to better user experience for our customers at home.
